

Building houses in partnership with God's people in need

THE CARPENTER'S CLUB

We are communicating with you for two special reasons. First and foremost we want to express our gratitude to you for your support of the work we are doing to create simple, decent, affordable homes for and with God's people in need. You are receiving this newsletter because you have proven to be a friend of Kearney Area Habitat for Humanity. Whatever part you have played in this Christian housing ministry is greatly appreciated! THANK YOU!

Our second reason in writing to you is to make certain you are aware of a very special group of donors called "The Carpenter's Club". This amazing group of donors has each agreed to donate a selected dollar amount for each home we build. Since we have been building three homes each of the last many years some send three separate throughout the building season. Others choose to donate with one donation covering all three. A chart showing the five donor levels with a membership sign up form is included below. Last year this group of loyal supporters donated 14% of the total construction budget!

If you are interested in helping in this way, please complete the form and return it to us. We will always be thankful for your support with time and/or treasure in any amount and in any way you choose!
